ORGANIZATIONAL CHART

EFS/SWG CULTURE

CONTRIBUTE

EFS/SWG believes every employee is equally important and we want you to participate and get involved. Speak up, give your opinion, make suggestions. Don't wait for someone to ask your opinion. Jump in and contribute!

W.I.T. (WHATEVER IT TAKES)

Great results come from teams where individual members are motivated and willing to do whatever it takes to make things happen. Having a willing attitude makes teamwork happen.

LOOK FOR SOLUTIONS, NOT PROBLEMS

Problems will arise. Don't look who is to blame, work together to find a solution.

BE PROMPT AND BE READY

Everyone wants to work with a team where everyone can rely on each other. We believe in advanced preparation so others don't wait on us. It starts first thing every day. That's why we all agree that being on time is critical to the success of the day. Also, do not leave early unless it's approved by your supervisor.

BE NICE, BE RESPECTFUL

Everyone likes to be treated with respect. Saying "please" and "thank you" demonstrate an attitude of respect and cooperation. Even though we may not always agree with each other, we work out our differences and always give each other the benefit of the doubt. We keep all our verbal and non-verbal communication on a respectful level and treat each other in a manner that we would like to be treated. In fact, we are respectful even when others are not respectful to us. We are always on our "A" game.

EMBRACE UNIQUENESS AND DIVERSITY

We are a diverse and inclusive company. We want everyone to feel safe to contribute in their own unique way, to ask questions, to be curious, and to grow. We make it a habit to listen without judgement and to focus on the good things people do. We don't judge and we don't boss. We encourage and work with each other to solve problems. We DO give positive praise and perform random acts of kindness.

KEEP YOUR APPEARANCE APPROPRIATE

Your appearance, behavior, and personal habits create the image which customers will remember most. You should come to work each day properly groomed, appropriately dressed and ready to make a great first, second and never-ending impression. Office staff should wear office casual and clothing should not be revealing or too tight. Office staff should not wear cut up or ripped shirts. Field staff should wear closed toe shoes but can wear shorts or sleeveless shirts. Staff must always wear shirts while on the clock and while in company vehicles. All clothing should be in good condition and should not make reference to drugs, alcohol and/or should not be insensitive to co-workers, customers, vendors, etc.

PERSONAL ISSUES

As team members, we try to bring the best of who we are to work each day but we all recognize that our personal lives sometimes can affect our work day. It is our belief that employees may need to address

personal issues from time to time during the work day. As long as this is not excessive or as long as it does not affect your overall job performance, we encourage you to handle those issues as necessary (this means breaks from time to time are expected but not communicating with your supervisor, missing work or not completing projects may result in disciplinary actions). Should you need to focus on personal issues please contact your supervisor about using PTO.

PRACTICE LEADERSHIP

We are a practice of servant leaders. Team members are humble and set an example of kindness, support, and inspiration in every way. We are even-keeled, even-tempered, and predictable. We do the right thing, even when no one is looking. We serve others and want the team to succeed and we don't seek individual credit.

TAKE PROBLEMS TO THEIR SOURCE

When teams progress and work together, sometimes there may be differences of opinion or misunderstandings. Those can be times of great growth. If you have a problem, go to the person it involves. It is unacceptable to spread gossip or talk behind a person's back. Always go to the source of the problem, have a conversation, and find a solution so the team can fix it, grow and move on. If someone comes to us to discuss another team member, we always say "I think you should talk to him/her directly about this, instead of me." If a problem can not be solved with a co-worker, please talk to your supervisor.

Part time employees are not eligible for PTO. PTO combines vacation and sick days and you will be eligible for 21 days PTO each year. Employees should give their supervisor at least 14 days notice when taking off more than 3 consecutive days (when possible). PTO requests will be approved or unapproved by your supervisor. We encourage all employees to use this benefit to the fullest. All accrued and unused PTO days will be carried over to the next year with a maximum

PAY PERIODS

EFS/SWG employees get paid every other Friday. You will be paid 26 times per year. Pay periods start on Sunday and end on Saturday. You will then be paid on the Friday after the last day of that pay period. For example, Sunday is day 1 of the two week pay period. It ends on Saturday, the 14th day of the pay period. You will be paid on Friday after the 14th day, which is the 20th day. You can have your pay deposited directly into your bank account or we can print out a pay check for you to pick up from the main office. EFS/SWG uses a 3rd party payroll service to calculate taxes, handle W2's and provides pay stubs. You will need to create an account with that payroll service if you want access to these documents.

SIMPLE IRA

After one year of employment, you are eligible to contribute to the company SIMPLE IRA. For anyone who contributes, EFS/SWG will match up to 3% of compensation. Both full time and part time employees are eligible for the SIMPLE IRA as long as you made at least \$2500 in the 12 months prior to your eligibility. There are other rules and regulations that will be provided to you when you become eligible. EFS/SWG does not provide financial advice and will not advise employees on financial matters. If you are interested in contributing to the SIMPLE IRA, we recommend you talk to a financial advisor.

GENERAL INFORMATION

NON-DISCLOSURE

We do things a little differently. We are very efficient. We provide better communication than most other related contracting businesses. You may be exposed to financials, budgets, pricing, systems, etc. This knowledge is private and it is expected to remain within our company “walls.” We have invested large amounts of time and monies to create processes that help differentiate us from our competition. Just as you wouldn’t want personal secrets exposed about you, we don’t want our personal business secrets exposed.

NON-PERFORMANCE

Everyone is expected to show up on time and be engaged in their work during the work day. If an employee fails to perform their duties with a positive attitude then their employment will be in jeopardy. If someone does not show up for their assigned shift for more than 2 consecutive days without communicating with their supervisor, then that employee will be considered resigned from their position. North Carolina is an At-Will state and either side can terminate the employment arrangement at any time.

COMPANY PROPERTY

Depending on your position, you will be issued or have access to company owned tools, equipment, computers, electronics, vehicles and other company property (keys, uniforms, etc). You are expected to use these things only on company projects and not personal projects. Please use company owned property responsibly and report issues to your supervisor promptly. At separation of employment, all company issued property must be immediately returned to the company in good working order. Failure to return company property or returning company property in a broken state may result in the employee being held financially responsible for the repair or replacement of that property.

INTERNET AND SOCIAL MEDIA POLICY

Please be aware that anything on the internet and social media is forever. Most of us enjoy our time in forums, threads and on social media. We ask that you do not post anything that may reflect poorly on the company. If a post, comment, picture or any other internet activity does bring negative attention to EFS/SWG, we reserve the right to terminate your employment.

ALCOHOL AND DRUG POLICY

Employees should not report to work under the influence of illegal drugs, alcohol or controlled substances. Prescription drugs should not impair your alertness, judgement or safety. Any job related injuries that require medical attention will include a drug and alcohol test as part of the treatment.

JOB RELATED INJURIES

We are a safe company and safety matters to us. If you are injured on the job, please report the injury to your supervisor immediately. If medical attention is required, please head to the nearest Urgent Care or Emergency Room. Please let your supervisor know which facility you are going to. If you cannot drive yourself then have a co-worker take you or call 911 for an ambulance.

SEXUAL HARRASSMENT POLICY

EFS/SWG will not tolerate sexual harassment of any kind and is grounds for immediate termination. Sexual harassment can be a continuing pattern of behaviors or a single incident of unwelcome sexual advances, requests or demands for sexual favors, physical contact of a sexual nature and/or verbal abuse or threats of sexual nature. Employees are urged to take complaints of sexual harassment to Human Resources as soon as possible. Employees who observe sexual harassment are also encouraged to report the incident as soon as possible to Human Resources. All complaints will be investigated without bias or prejudice with all the parties involved.
